Lenten Study

With the Season of Lent just a few weeks away maybe you have been looking for something to use for your Lenten Devotions. The world we live in places a premium on answers. Jesus takes a different approach. Did you know Jesus asked upward of three hundred questions in the Gospels? He was asked somewhere in the neighborhood of one hundred eighty questions by others. Interestingly, He only directly answered three of those questions.

What if we pressed pause for a minute on our need for more answers? And what if we upped our game on our quest to find better questions? And isn't this interesting--the connection between quest and question?

Over the forty days of the season of Lent--in his signature style--J.D. Walt weaves together Scripture and stories to enrich our journey to the cross with Jesus in his book titled, Jesus Asking, The Three Transformational Questions of Lent. Starting with what he calls the "Question of all Questions"--Who do you say I am? J.D. unfolds the compelling story of how his mentor taught him three transformational questions. Simple and profound, these questions will awaken your faith and deepen your walk with Jesus.
