The cross will be available for families to take pictures following the worship service and throughout the afternoon.</p>	<p>Our Great Redeemer's Praise As you may know when we departed from the United Methodist Church we were able to retain their hymnals because they are available to anyone to purchase. The Global Methodist Church has adopted the "Our Great Redeemer's Praise" as their hymnal and you may have noticed that we have started to sing hymns from that hymnal. I know that there are some who prefer to use their hymnal as opposed to reading the words on the powerpoint. With that in mind we are making these available to anyone who would like to purchase one. We can put a label on the inside cover if you want to purchase them in honor or memory of a friend or loved one. The price of an individual copy is \$35.00 but the prices come down when purchased in bulk orders. We will be making available to you an order form to be filled out and returned but will be waiting at least a month before placing our order.</p>

		<p>FISH FRY</p>	<p>Collaboration With Middle Georgia State I have been in touch with Middle Georgia State about our church reaching out to the students as an outreach ministry. They are in favor of it and offered me several different ways in which to engage with the students. I think our best option will be to develop a flyer which they post on their bulletin boards and something digital that would show on their campus TV's. They did recommend not using the word "adopting" as it could be confusing or off-putting to some students. They recommend "sponsored, supported, or spiritually mentored" which will work fine. What I need now is to judge your response as to how many will be willing to get involved. If you could let me know if you would be interested and how many students you would like to mentor please let me or Cathy know so we can start putting a volunteer list together. I would say that this is probably a program that would get off the ground next fall with the new school year.</p>
